study in KENYA

Course	Bachelor of Science (information and Communications Technology)
Institution	Africa International University
Campus	Africa International University
Course Length	4 years
Mode of Study	Full Time
Tuition Fees	Kes. 189,825 per year
Entry Requirement	Minimum grade of C+ in KCSE or a 2 year recognized Diploma
Application Procedure	1. Application forms for all AIU programs may be downloaded from these links Undergraduate application forms and postgraduate application forms or you can apply online by clicking here. Duly complete forms may be emailed or posted to the AIU admissions office. Please note that official transcripts (which are required for Doctoral and Postgraduate applicants) must be posted from the applicant's former university. 2. Every application form has a checklist section that guides applicants on all the required items for a complete application. Please go through this list before sending in the application. The checklist includes items such as: passport pictures, application fees, recommendations (completed on AIU stipulated forms), academic certificates and transcripts, etc. 3. Application fees can be deposited in the bank account and deposit slip submitted to the Admissions office or emailed to us
